Student SSOI Scores – Description of Included Materials

This section includes the SSOI scores for fall 2016 to spring 2018. Each graduate course was taught online and face-to-face. However, only the distance education sections met the minimum enrollment requirement to survey. Note: I received a course buyout from the VCAN grant in the spring of 2017 to cover COHE 6550.

List of courses by semester:

- Spring 2018:
    - COHE 6430 Database Systems in Health Care
    - COHE 6550 Health Informatics Project Design and Management
- Spring 2017:
    - COHE 6430 Database Systems in Health Care
    - HSMA 4065 Management of Health Care Operations and Patient Flow*
- Fall 2016 and 2017:
    - COHE 6470 Health Information Privacy and Security
    - COHE 6490 Foundations of Health Information Technologies

* In the spring of 2017, as a one time-assignment, I co-taught HSMA 4065 with Dr. Zeng after the primary instructor left ECU roughly a month before the semester began. Neither of us were familiar with the topic and had to learn the material as the semester progressed. Dr. Zeng has since assumed sole responsibility for the course.
