Director Jan Lewis
Joyner Library
East Carolina University
Greenville, NC 27858

Dear Director Lewis:

I write to request a subsequent appointment to my position as Learning Technologies Librarian in the Research & Instructional Services department at Joyner Library. During the current contract period I worked to empower the students of ECU with the information literacy concepts and research skills they need to succeed in their coursework and beyond via formal library instruction, one-on-one assistance with their research and assignments, and the creation of supportive materials like research guides, Canvas-based modules, and tutorials. In addition, over this past year I worked to support my colleagues and implement the goals of my unit and department by serving as interim head of Research & Instructional Services. I would welcome the opportunity to continue my work at Joyner Library and to further advance its mission.

Best,

David Hisle
