NEWSLETTER BLAST #3

IN THIS ISSUE:

1. Trivia Time!
2. Learn More About Chancellor Philip Rogers
3. Are You Connected?
4. Prepping for the Fall
5. Get to Know: Uptown Greenville
1. TRIVIA TIME

This week's trivia comes from the College of Nursing!

Trivia #1

ECU College of Nursing prepares more new nurses than any other program in the University of North Carolina (UNC) System.
Triva #2

ECU College of Nursing has the only midwifery graduate program in North Carolina.

Nurse-Midwifery

The purpose of the nurse-midwifery concentration is to prepare professional nurses as safe and competent practitioners of nurse-midwifery who are eligible for certification by the American Midwifery Certification Board (AMCB).

Graduates from this program will earn a Masters in Nursing Science (MSN) degree or a Post Masters Certificate in nurse-midwifery. Upon completion of this program the graduate will be eligible to sit for the American Midwifery Certification Board exam. Upon successful completion of this exam the graduate will be able to use the title "Certified Nurse-Midwife" (CNM). See how you can enroll in our program at ECU Carolina University.

2. LEARN MORE ABOUT CHANCELLOR PHILIP ROGERS

Be sure to check out these videos of Dr. Rogers introducing himself to Pirate Nation back in March.
3. ARE YOU CONNECTED?

To Do: Can you access your ECU email?

Making sure your Pirate ID and password work are essential for accessing your email, Banner, Canvas, and many other platforms that are used at ECU. The simplest way to make sure your Pirate ID and password work is to login to your ECU email account! If you have issues logging in to your email, contact Information Technology and Computing Services (ITCS) for help.

Visit ITCS for help.

What is Banner?
Banner is ECU's administrative Enterprise Resource Planning (ERP) platform. Banner is where you enter final grades, access your payroll and tax information, find student information, and view your schedule.
Are you teaching a clinical course or an internship course in the fall? The OFE Teaching Idea Sparks page has resources for you.

Check out this online book on making the transition from clinician to educator.
5. GET TO KNOW

_Uptown Greenville_

Uptown Greenville is a vibrant area nestled between ECU and the Tar River and home to diverse businesses, unique restaurants, and outdoor recreation. It is a wonderful place to grab lunch, listen to music on the weekends, browse through the Umbrella Market during summer, or prepare for ECU football games with Freeboot Friday.

Fun Fact: Two ECU alumnae run Uptown Greenville! Go Pirates!
